

# KINGSWAY REGIONAL HIGH SCHOOL

## FRESHMAN ELECTIVE REQUEST FORM - 2011- 2012

Below is a list of courses required for every freshman entering Kingsway Regional High School. The levels at which your student will be placed will be determined by his or her level of achievement during semester one of this school year.

Physical Education/Health  
Algebra or Geometry

English

Physical Science or Biology  
Life Skills (Semester)    World History  
Economics (semester)

In addition to these required courses, **your child must choose two (2) electives or one (1) elective and one (1) study hall** to complete the remainder of his or her schedule. The State of New Jersey requires that high school students pass **5 credits in world languages; 5 credits in visual and performing arts; 2.5 credits in Economics; and 5 credits in career education; consumer, family, and life skills; or vocational-technical education** by the time they graduate. Although students are not required to take any of these courses at the freshman level, it is highly recommended that your student begin to fulfill these important and necessary requirements as soon as possible to eliminate any possible scheduling problems that may occur in the future. Please see the *Course Selection Handbook* online at <http://kingswayguidance.com/CSH.pdf> for specific, detailed information on course and graduation requirements. Below is a list of all elective courses offered to freshman. After reviewing course information from the *Course Selection Handbook* with your child, please check off his or her elective choices. **Please also note that the master schedule for the 2011-2012 school year will be set by the end of the 2010-2011 school year. At that time, no schedule changes (including electives) will be considered. It is imperative that both students and parents consider course choices carefully during the scheduling process, as there will be no changes to student schedules except for clerical error. Please refer to the Course Selection Book online at <http://kingswayguidance.com/CSH.pdf> for more information.**
